

I went to the  
Lord's Clinic to  
have my routine  
check-up and it  
confirmed I was  
ill:

The background of the image is a close-up, high-resolution view of water ripples. The water is a deep, vibrant blue, and the ripples create a complex, organic pattern of light and dark blue tones. The light reflects off the peaks of the ripples, creating bright highlights, while the troughs are in shadow, appearing darker. The overall effect is a sense of movement and texture.

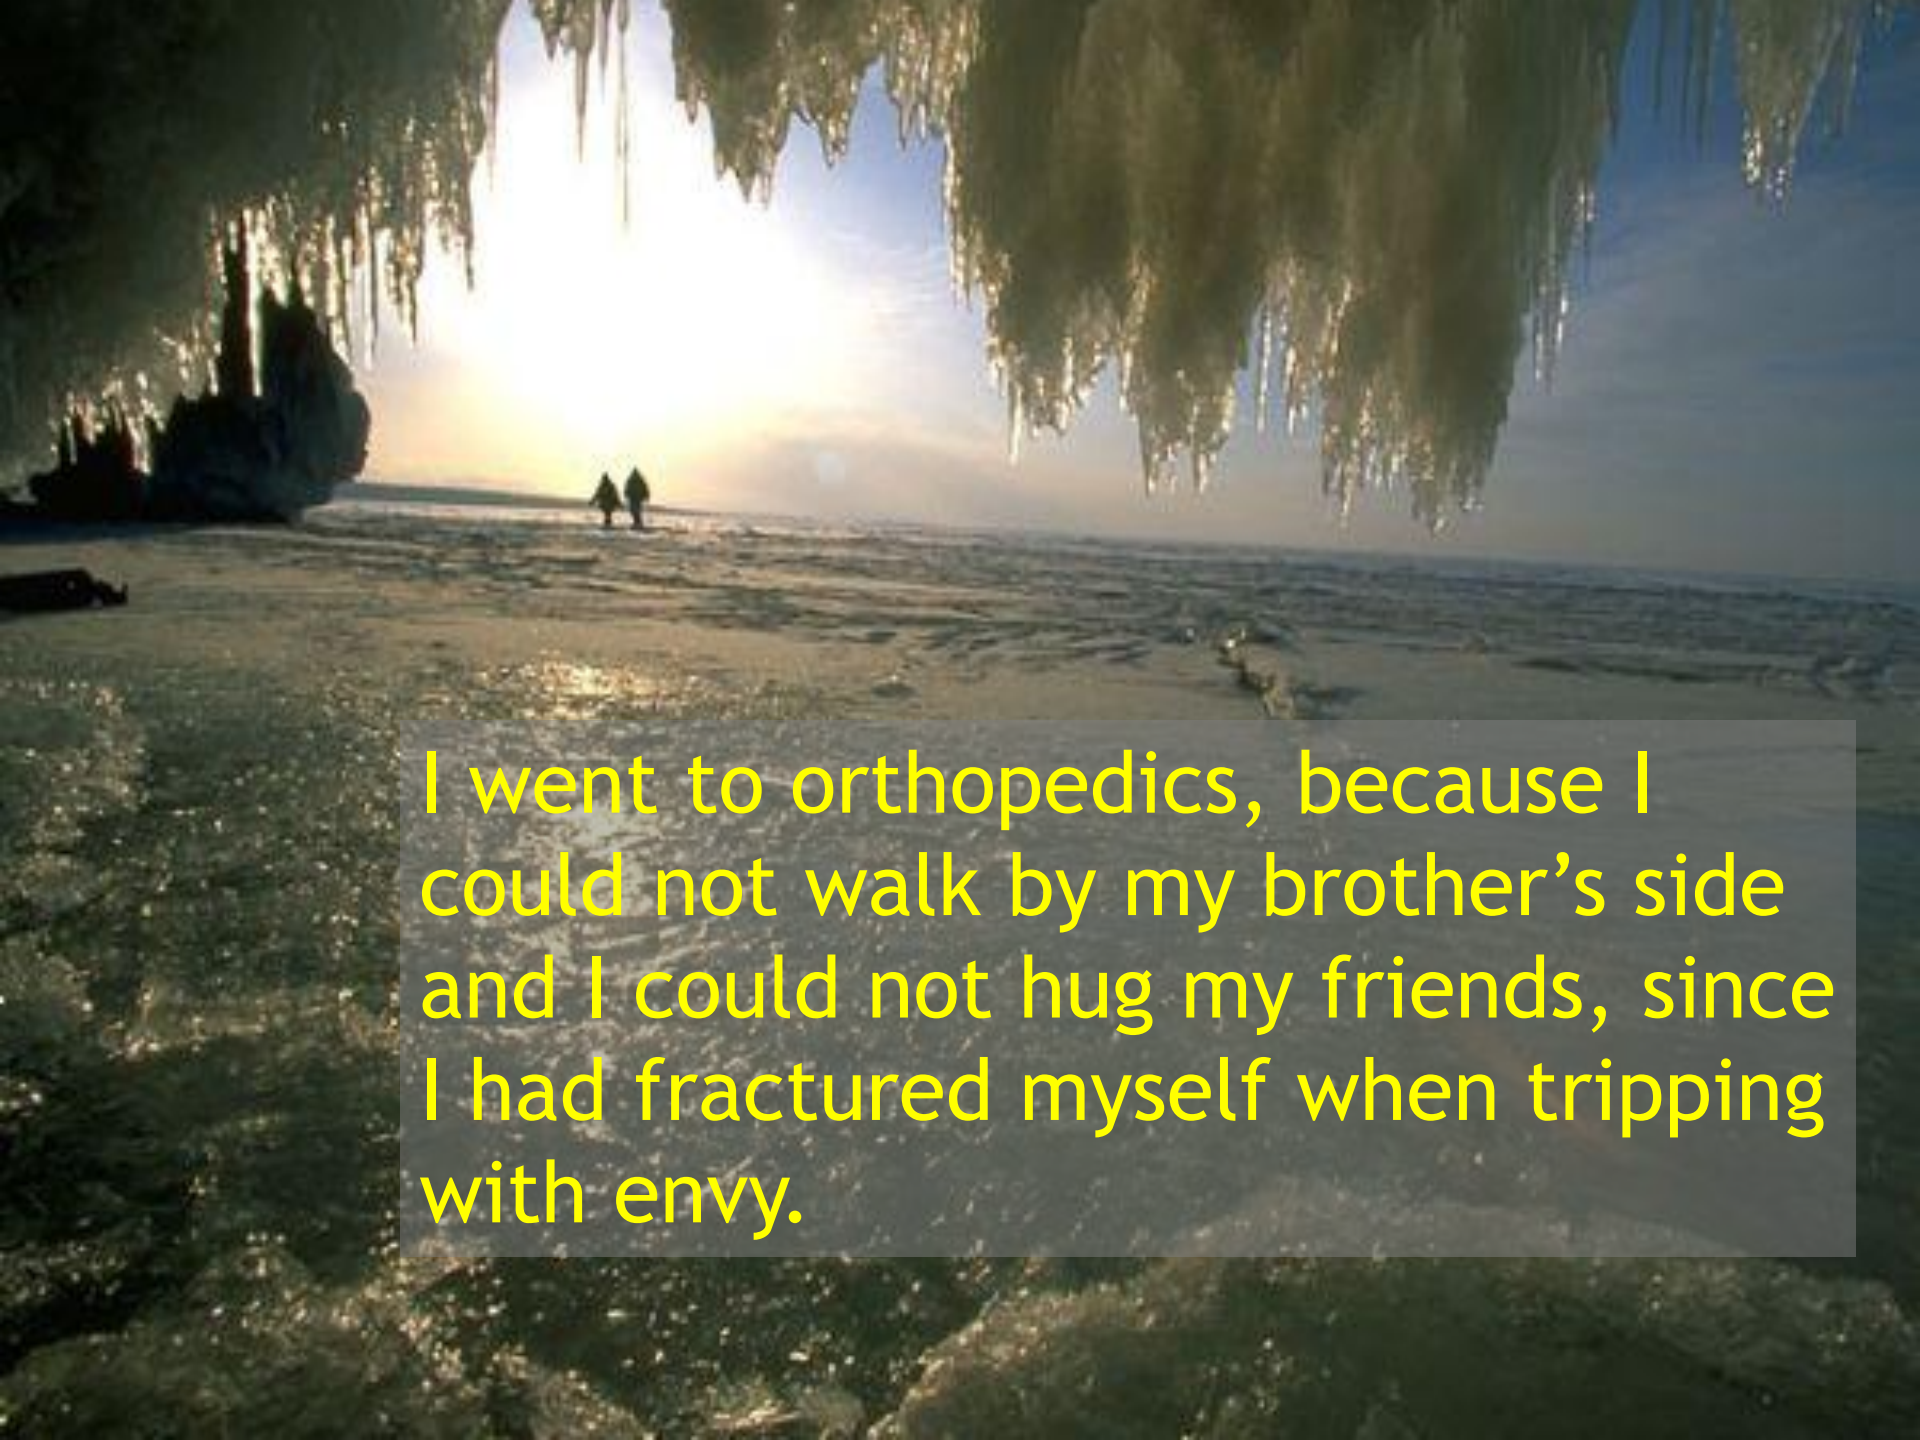

When Jesus took my blood  
pressure, He saw I was low  
in tenderness.

When he read my temperature,  
the thermometer  
registered 40° of anxiety

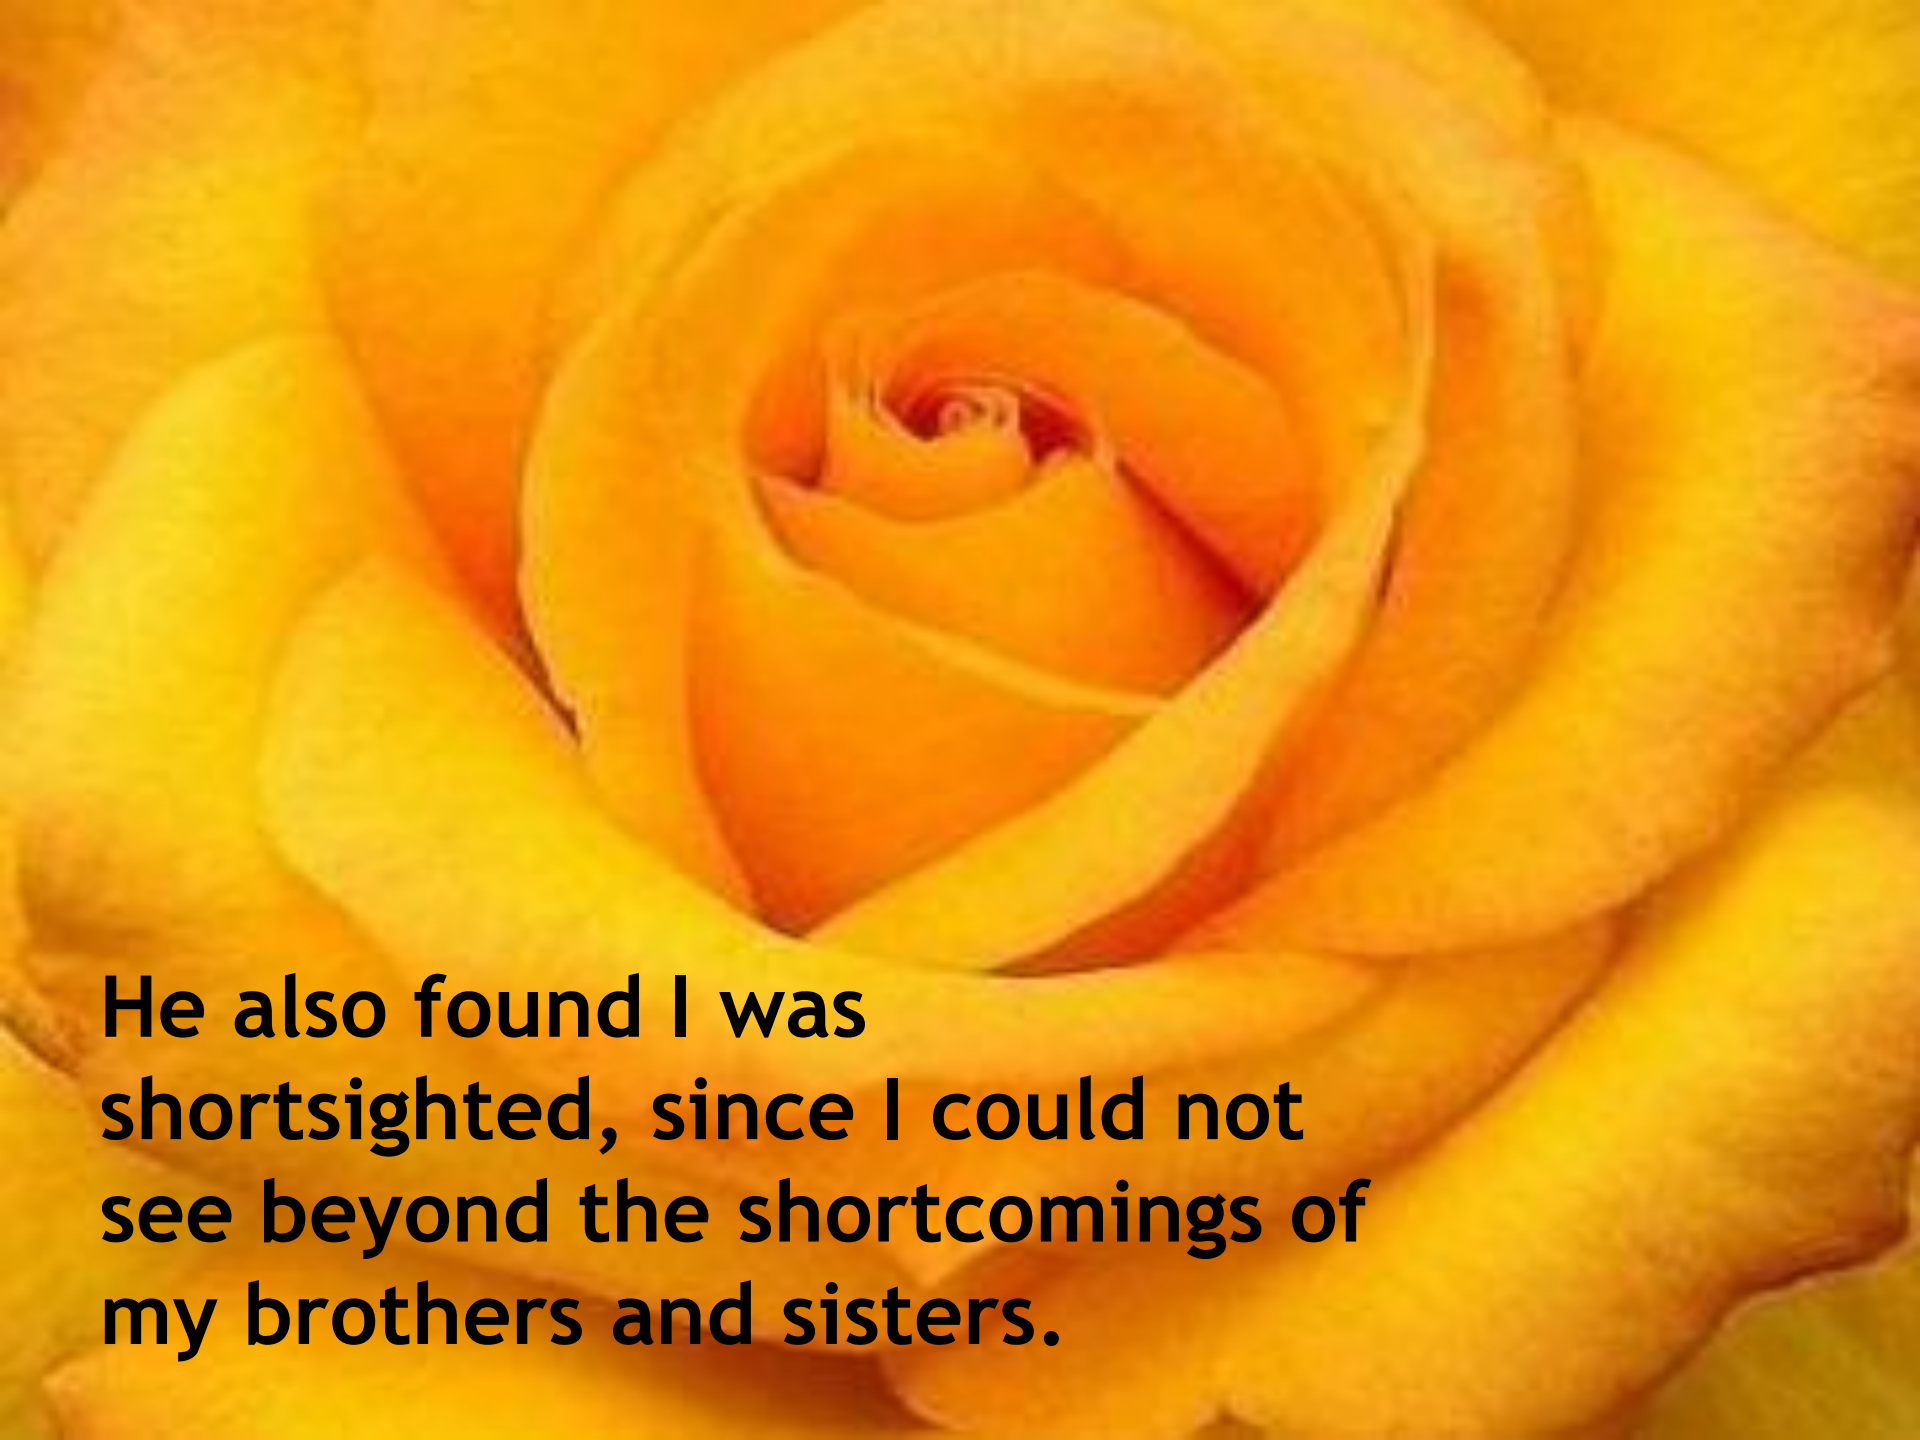

He ran an electrocardiogram and found that I needed several “love bypasses” since my arteries were blocked with loneliness and could not provide for an empty heart.

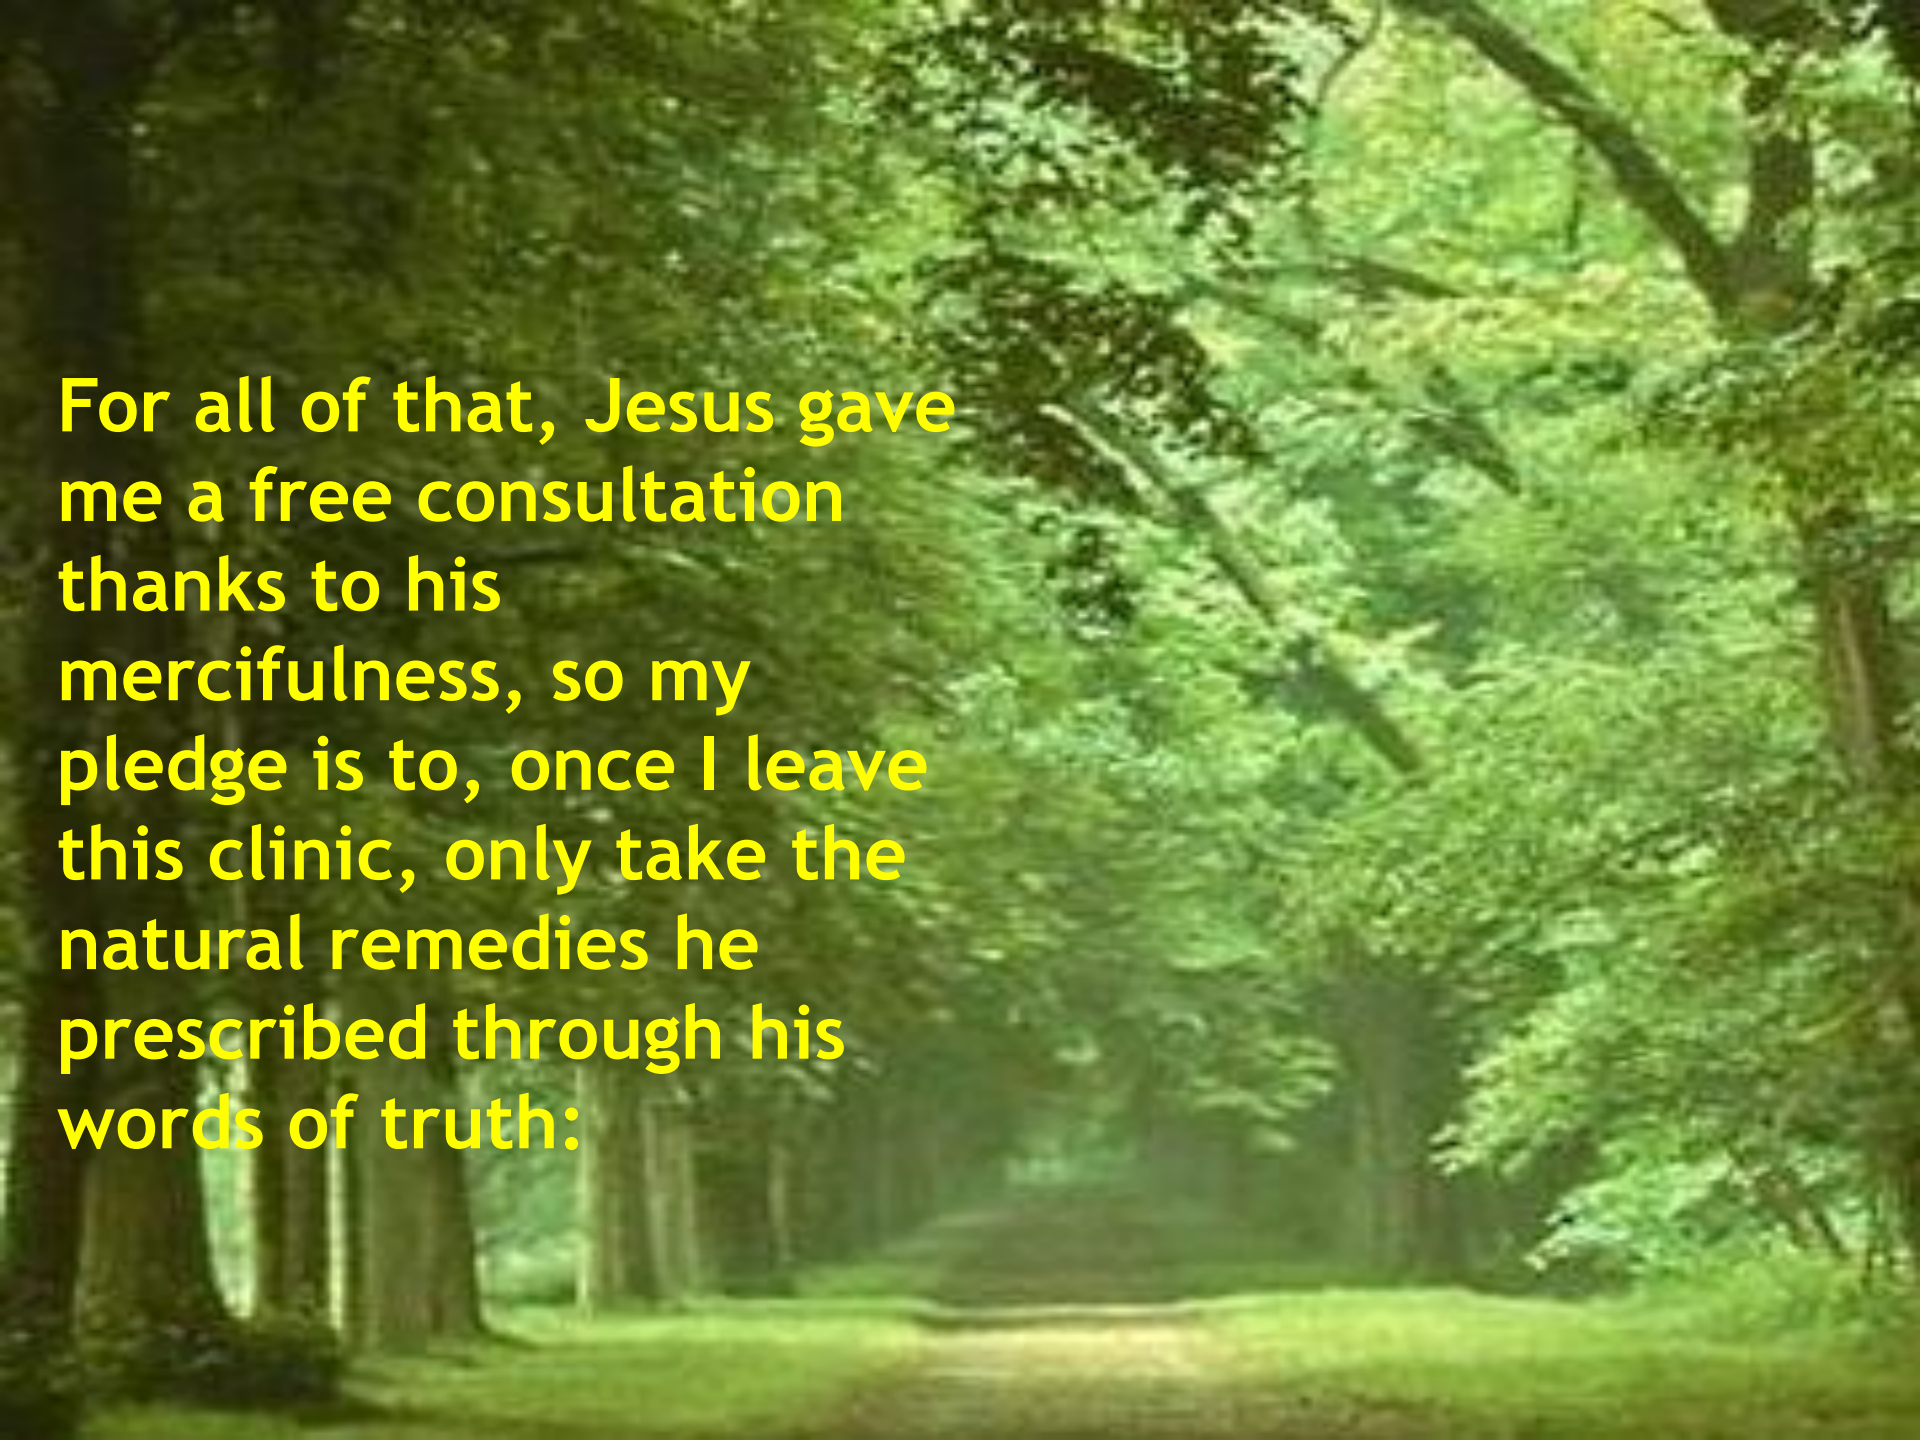

I went to orthopedics, because I could not walk by my brother's side and I could not hug my friends, since I had fractured myself when tripping with envy.

A close-up photograph of a rose with yellow and orange petals, filling the background. The rose is in full bloom, with many layers of petals visible. The colors range from bright yellow to deep orange, with some darker red tones in the center of the flower.

**He also found I was shortsighted, since I could not see beyond the shortcomings of my brothers and sisters.**

**When I complained about deafness, the diagnosis was that I had stopped listening to Jesus' voice talking to me on a daily basis.**

A lush green forest with a dirt path leading through the trees. The trees are tall and leafy, creating a dense canopy. The path is a light brown color, winding through the green grass and foliage. The overall scene is peaceful and natural.

**For all of that, Jesus gave me a free consultation thanks to his mercifulness, so my pledge is to, once I leave this clinic, only take the natural remedies he prescribed through his words of truth:**

**Every morning,  
take a full glass of  
gratitude**

A serene winter landscape featuring a calm river that perfectly reflects the surrounding snow-covered trees and a pale, overcast sky. The scene is peaceful and quiet, with the water acting as a mirror for the white, frosty world above. The trees on both banks are heavily laden with snow, their branches creating a delicate, intricate pattern against the light sky. The overall mood is one of tranquility and stillness.

**When getting to work,  
take one spoon of peace**

A composite image featuring a silhouette of a dragonfly perched on a person's nose against a sunset background. The dragonfly is positioned on the tip of the nose, with its wings spread. The background is a warm, orange and yellow gradient, suggesting a sunset or sunrise. The person's face is partially visible in silhouette on the left side of the image.

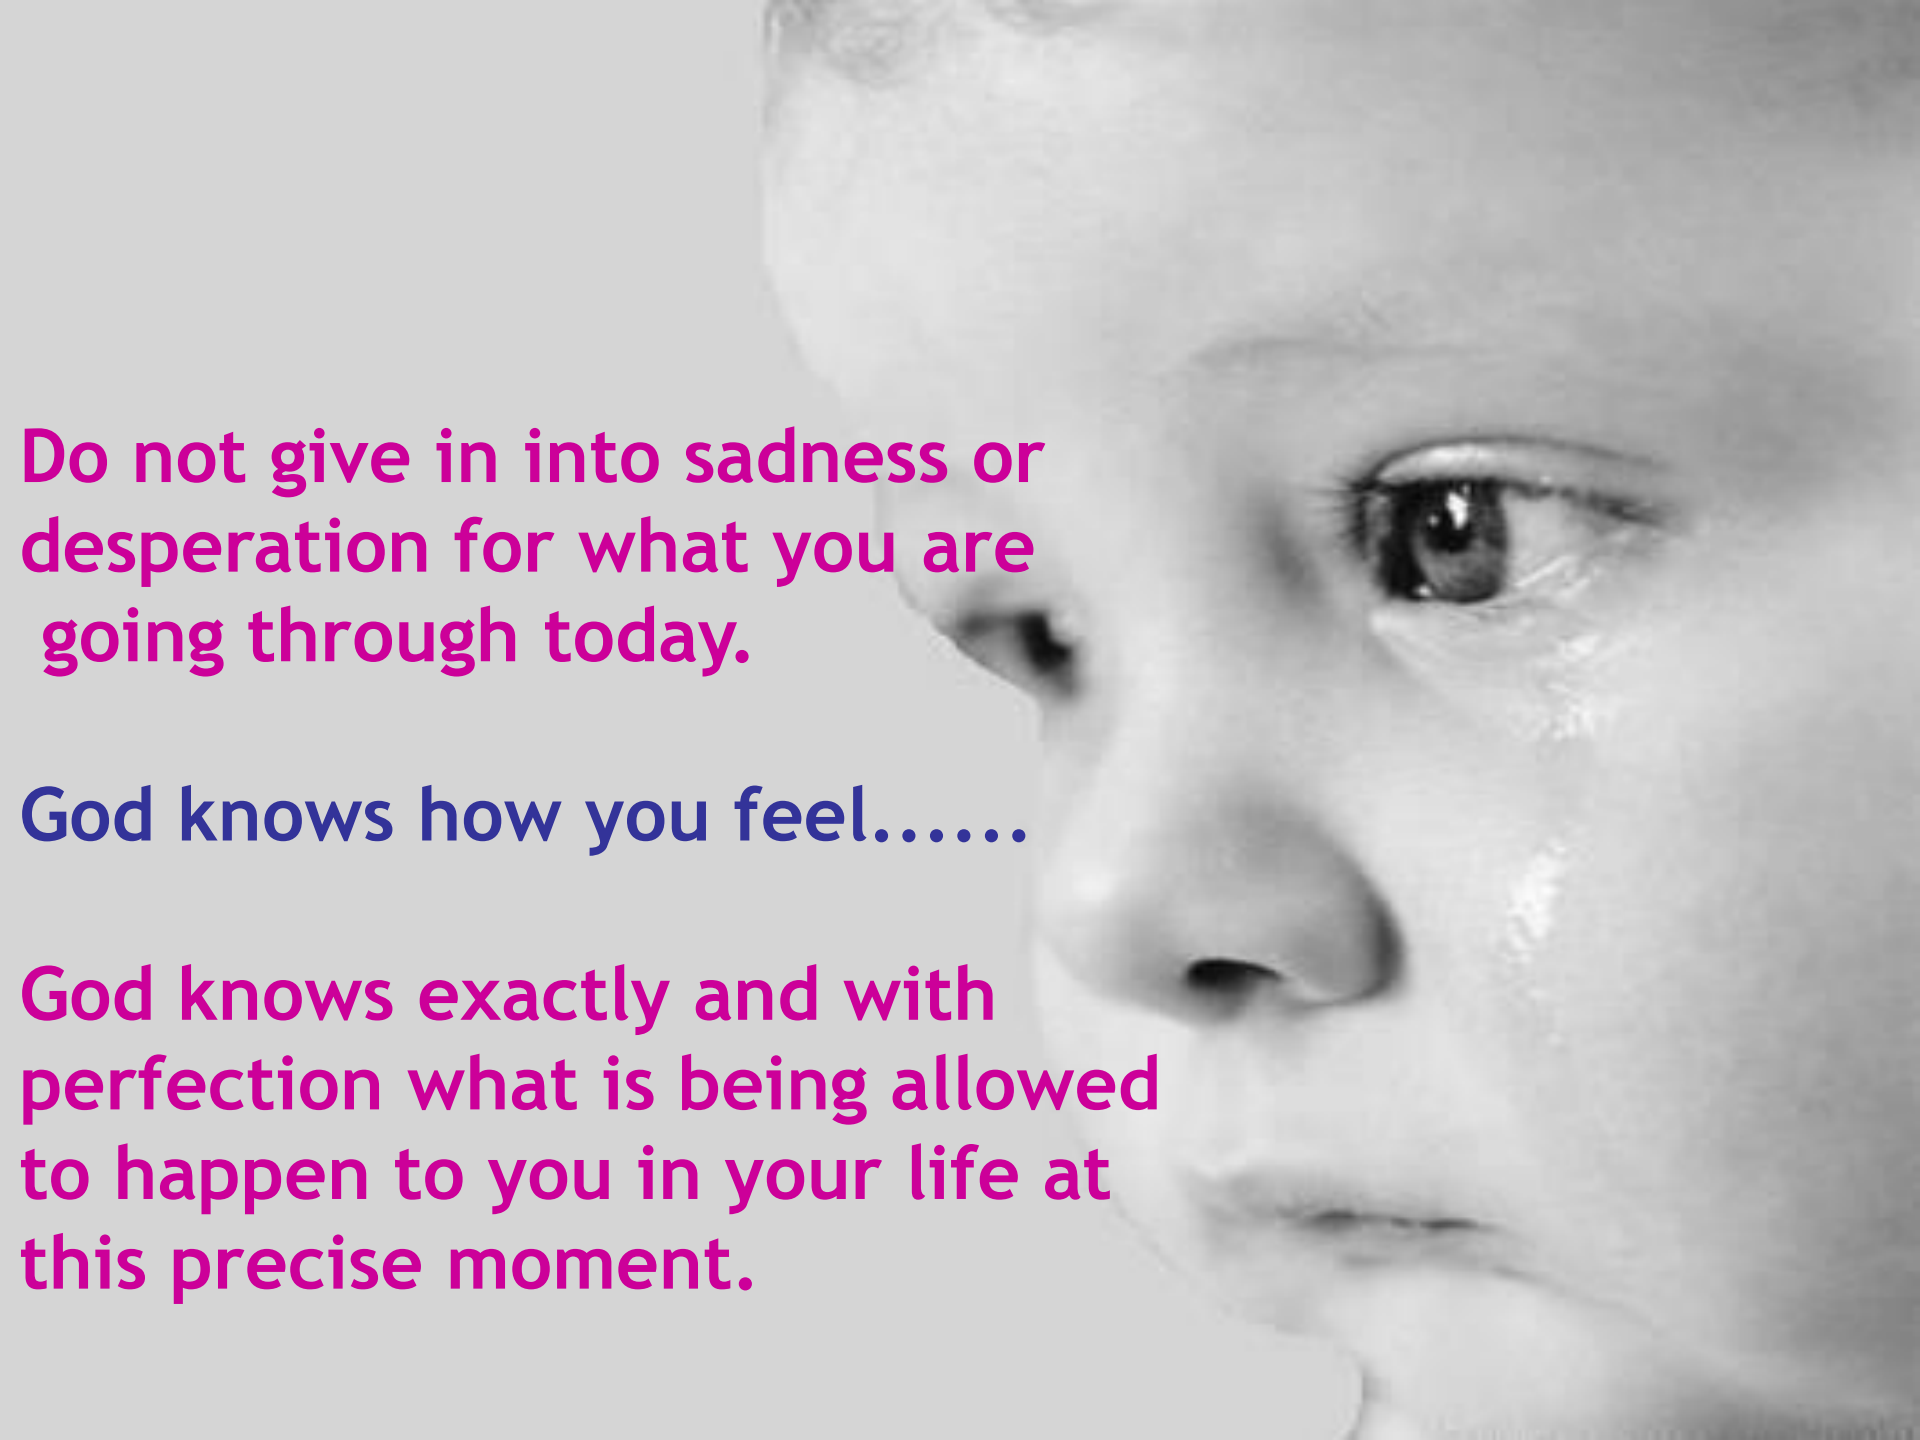

Every hour,  
take one pill of patience, one cup of  
brotherhood and one glass of humility

**When getting home, take one dose of love**

**When getting to bed,  
Take two caplets of clear conscience**

**Do not give in into sadness or desperation for what you are going through today.**

**God knows how you feel.....**

**God knows exactly and with perfection what is being allowed to happen to you in your life at this precise moment.**

**God's purpose for you is simply perfect.**

**He wants to show you things that only you can understand by living what you are living, and by being in the place you are now.**

May God give you...  
For every storm, a rainbow,  
For every tear, a smile,  
For every care, a promise,  
And a blessing in each trial.  
For every problem life sends,  
A faithful friend to share,  
For every sigh, a sweet song,  
And an answer for each prayer.
