

# REVELATION CHAPTER 11

## PART 2

***BLESSED IS HE THAT READETH,  
AND THEY THAT HEAR  
THE WORDS OF THIS PROPHECY....***

## **REV 11: 3-12**

**KJV** <sup>3</sup>And I will give power unto my two witnesses, and they shall prophesy a thousand two hundred and threescore days, clothed in sackcloth.

<sup>4</sup>These are the two olive trees, and the two candlesticks standing before the God of the earth.

<sup>5</sup>And if any man will hurt them, fire proceedeth out of their mouth, and devoureth their enemies: and if any man will hurt them, he must in this manner be killed.

<sup>6</sup>These have power to shut heaven, that it rain not in the days of their prophecy: and have power over waters to turn them to blood, and to smite the earth with all plagues, as often as they will.

<sup>7</sup>And when they shall have finished their testimony, the beast that ascendeth out of the bottomless pit shall make war against them, and shall overcome them, and kill them.

<sup>8</sup>And their dead bodies shall lie in the street of the great city, which spiritually is called Sodom and Egypt, where also our Lord was crucified.

**<sup>9</sup>And they of the people and kindreds and tongues and nations shall see their dead bodies three days and an half, and shall not suffer their dead bodies to be put in graves.**

**<sup>10</sup>And they that dwell upon the earth shall rejoice over them, and make merry, and shall send gifts one to another; because these two prophets tormented them that dwelt on the earth.**

**<sup>11</sup>And after three days and an half the spirit of life from God entered into them, and they stood upon their feet; and great fear fell upon them which saw them.**

**<sup>12</sup>And they heard a great voice from heaven saying unto them, Come up hither. And they ascended up to heaven in a cloud; and their enemies beheld them.**

## REV 11:3-12

**NLT** <sup>3</sup> And I will give power to my two witnesses, and they will be clothed in burlap and will prophesy during those 1,260 days.” <sup>4</sup> These two prophets are the two olive trees and the two lampstands that stand before the Lord of all the earth. <sup>5</sup> If anyone tries to harm them, fire flashes from their mouths and consumes their enemies. This is how anyone who tries to harm them must die. <sup>6</sup> They have power to shut the sky so that no rain will fall for as long as they prophesy. And they have the power to turn the rivers and oceans into blood, and to strike the earth with every kind of plague as often as they wish.

<sup>7</sup> When they complete their testimony, the beast that comes up out of the bottomless pit<sup>[a]</sup> will declare war against them, and he will conquer them and kill them.

**8 And their bodies will lie in the main street of Jerusalem, the city that is figuratively called “Sodom” and “Egypt,” the city where their Lord was crucified. 9 And for three and a half days, all peoples, tribes, languages, and nations will stare at their bodies. No one will be allowed to bury them. 10 All the people who belong to this world will gloat over them and give presents to each other to celebrate the death of the two prophets who had tormented them.**

**11 But after three and a half days, God breathed life into them, and they stood up! Terror struck all who were staring at them. 12 Then a loud voice from heaven called to the two prophets, “Come up here!” And they rose to heaven in a cloud as their enemies watched.**

## REV 11:3-12

**AMP** <sup>3</sup>And I will grant the power of prophecy to My two witnesses for 1,260 (42 months; three and one-half years), dressed in sackcloth. <sup>4</sup>These [witnesses] are the two olive trees and the two lampstands which stand before the Lord of the earth. <sup>5</sup>And if anyone attempts to injure them, fire pours from their mouth and consumes their enemies; if anyone should attempt to harm them, thus he is doomed to be slain. [II Kings 1:10; Jer. 5:14.] <sup>6</sup>These [two witnesses] have power to shut up the sky, so that no rain may fall during the days of their prophesying (their prediction of events relating to Christ's kingdom and its speedy triumph); and they also have power to turn the waters into blood and to smite and scourge the earth with all manner of plagues as often as they choose.

**<sup>7</sup>But when they have finished their testimony and their evidence is all in, the beast (monster) that comes up out of the Abyss (bottomless pit) will wage war on them, and conquer them and kill them.**

**<sup>8</sup>And their dead bodies [will lie exposed] in the open street (a public square) of the great city which is in a spiritual sense called [by the mystical and allegorical names of] Sodom and Egypt, where also their Lord was crucified.**

**<sup>9</sup>For three and a half days men from the races and tribes and languages and nations will gaze at their dead bodies and will not allow them to be put in a tomb.**

**<sup>10</sup>And those who dwell on the earth will gloat and exult over them and rejoice exceedingly, taking their ease and sending presents [in congratulation] to one another, because these two prophets had been such a vexation and trouble and torment to all the dwellers on the earth.**

**<sup>11</sup>But after three and a half days, by God's gift the breath of life again entered into them, and they rose up on their feet, and great dread and terror fell on those who watched them.**

**<sup>12</sup>Then [the two witnesses] heard a strong voice from heaven calling to them, Come up here! And before the very eyes of their enemies they ascended into heaven in a cloud. [II Kings 2:11.]**

***<sup>3</sup>And I will give power unto my two witnesses, and they shall prophesy a thousand two hundred and threescore days, clothed in sackcloth.***

**will give power...** Is the “Mighty angel” speaking first person or as Christ’s representative? If the angel is speaking first person then the angel of Revelation 10 is clearly Christ. The power of the two witnesses is from God. Moses & Aaron were God’s representatives before Pharaoh; they bore God’s power in before Egypt. Elijah represented God’s power before Israel on Mt. Carmel (I Kings 18), what they spoke in the name of the Lord happened. The two spies were sent by Joshua, two spy the land, they spoke for Joshua to Rahab.

**The two witnesses are two prophets who will prophesy in Jerusalem for exactly 1,260 days. These two witnesses are witnesses of the God of creation and His Messiah. The message they will give will be that Jesus is coming and to tell Israel and the world it is time to prepare to set up His kingdom on earth that He will rule from Jerusalem. They may also set the record correct about all past historical biblical events. They will give the world the truth and give the world dictates from God to prepare for His Messiah and the Jewish kingdom.**

***They will use persuasion and judgment to bring the Jews back from the nations to the land of Israel. The world will not want to hear what they have to say from the God of heaven but for 1,260 days the world will be given no choice. If the world will not accept the truth that come by way of these two prophets God said, He will send the world a strong delusion so they will believe a lie. Those who do not believe the truth from God will believe the lies of the Antichrist and his False Prophet.***

**2 Th 2:7** *For the mystery of iniquity doth already work: only he who now letteth will let, until he be taken out of the way. 8 And then shall that Wicked be revealed, whom the Lord shall consume with the spirit of his mouth, and shall destroy with the brightness of his coming: 9 Even him, whose coming is after the working of Satan with all power and signs and lying wonders, 10 And with all deceivableness of unrighteousness in them that perish; because they received not the love of the truth, that they might be saved. 11 And for this cause God shall send them strong delusion, that they should believe a lie: 12 That they all might be damned who believed not the truth, but had pleasure in unrighteousness.*

**The wording in the passages about the two witnesses makes it crystal clear that they are real persons. Those who attempt to spiritualize them and say they are not real persons but only represent the prophet and the law have embraced a theology of nonsense. The many details of the following passages make it clear enough to those living in reality that these two witnesses are actual physical persons. There are different views about the identity of the two witnesses. Just about all scholars who read this book of prophecy in a normal literal sense think one of the two witnesses is Elijah but there is honest disagreement among them on the identity of the other. Elijah is most likely one of them because scripture says Elijah will come before the day of the Lord .**

***Mal 4:5 Behold, I will send you Elijah the prophet before the coming of the great and dreadful day of the LORD:***

**The Orthodox Jews still expect Elijah to come at any time and they set a place for him at their Passover feasts. Elijah in the Old Testament said it would not rain and it did not rain for three years. Since this prophet will also have this power this appears to be Elijah. In addition, Elijah never died - he was taken off the earth. So there is good reason to believe that Elijah is ageless while in heaven and at the appointed time he will come to complete his ministry on the earth.**

**The other prophet may be Moses because of the other things that these prophets do. The main problem with it being Moses is that Moses did die and scripture says it is appointed for man once to die and these prophets are killed at the end of their testimony. Nevertheless, when Moses died scripture indicates it was not because there was any weakness or sickness in his body. It could be that Moses body is protected from decay by the angels and that he will rise from the dead in the same body in the same manner that Lazarus rose from the dead after four days and then died again in that same body of flesh years later. There is a scripture that indicates that this supernatural protection of Moses body is indeed what might have taken place.**

***Jud 1:9 Yet Michael the archangel, when contending with the devil he disputed about the body of Moses, durst not bring against him a railing accusation, but said, The Lord rebuke thee.***

**Some also think it will be Moses and Elijah because both of their ministries were not completed during their time on earth. Further, Moses was seen with Elijah when Peter, James and John were given a glimpse of the future at the time Jesus was transfigured before them to His future glory. (*Matt 17:2*)**

**For many other good reasons some think the second prophet is Enoch. Scripture indicates Enoch never died but was taken alive to heaven. If he is one of the witnesses he can tell the world the truth about events prior the flood. I think this may be important because I believe the great deception will be similar to what happened in the days prior to the flood.**

**The scriptures indicate angels came to earth and produced a hybrid race called the Nephilim on the earth (the word Nephilim is translated in most bible versions as giants - they were a race of giants but that is not all they were). After this event, the world became very violent and evil. It got so bad that God had to destroy all flesh. Jesus said that just before His second coming it would be as it was in the days of Noah. I believe the great deception in the last days may involve fallen angels and demons disguising themselves as an advanced civilization from another dimension or planet.**

**Enoch could explain why this corruption of flesh brought the world judgment of Noah's time and why it may occur again with the mark of the Beast. The sons of Seth theory taught by most in Christianity to explain these scripture passages is just not credible. Other writings found in ancient books shed further light on the account in Genesis and in Jude, when angels came to earth, took human wives and produced a superhuman evil race called the Nephilim. This most likely is the root of most ancient mythology of gods on earth. The fallen angels apparently began corrupting all flesh. God had to destroy all corrupted flesh with the flood to provide a pure line from Adam to the kinsman redeemer last Adam and Savior of mankind (Jesus). These non-canonical ancient writings include but are not limited to the book of Enoch and the writings of the great Jewish historian Josephus.**

**The Apocalypse of Peter** (non-canon, dated about 120 AD) says the two prophets will be Elijah and Enoch. This gives some reason to believe that this is what at least some of the early Church taught about the identity of the two prophets.

I do not think we can know for sure who the second witness will be since a case can be made for either Moses or Enoch. When these two come with supernatural power, everyone will know who the two witnesses are even if they still do not know them by their biblical names.

Whoever they are they will be clothed in sackcloth. This is the dress of those in sad distress and those who are in mourning. They are in distress because God's chosen nation has rejected the true Messiah and now has made a deal with a counterfeit messiah that will bring upon Israel and the world the judgments of the great and dreadful day of the Lord .

**they will prophesy** (Gr. propheôteuoô: to *foretell* events, *divine*, *speak* under *inspiration*,) The two witnesses will speak for the Lord during their time of ministry.

**One thousand two hundred and sixty days... 1260** days or 3.5 years, the two witnesses will speak for the Lord for the first half of the seven-year period. During this time they are clothed in sackcloth, (Gr. Sakkous) a coarse material used as a sack material. Sackcloth was a sign of mourning before God. The people of Nineveh put on sackcloth and mourned before the Lord after the preaching of Elijah (Jonah 3:5-6)

***<sup>4</sup>These are the two olive trees, and the two candlesticks standing before the God of the earth.***

**Two olive trees...** This is a reference to Zechariah chapter 4, where the “Two olive trees” are described as “two anointed ones who stand beside the Lord of the whole earth”. In other words these are special and unique individuals who are brought to the Earth from Heaven to witnesses for Christ. They are either Enoch and Elijah or Moses and Elijah. They will “Witness” to the Earth about the Messiah, Christ.

***<sup>5</sup>And if any man will hurt them, fire proceedeth out of their mouth, and devoureth their enemies: and if any man will hurt them, he must in this manner be killed.***

**If anyone wants to harm them...** During the 1260 days of their ministry, the “Two witnesses” will have supernatural protection. Similar to protection Moses had when he was before Pharaoh when the plagues were called down on Egypt in spite of the plagues Pharaoh was prevented from harming Moses. Elijah also was able to prevent his capture because he was able to call fire down on any who would attack him. (2 Kings 1:3-13). In spite of being in sackcloth for the 3.5-year period and seeming ridiculous to a modern world their words will have the power of God’s word. Because of their calling of judgments on the Earth these “Witnesses” will become the focus of world attention.

***<sup>6</sup>These have power to shut heaven, that it rain not in the days of their prophecy: and have power over waters to turn them to blood, and to smite the earth with all plagues, as often as they will.***

**These have power...** During the period of Elijah ministry he prayed and rain stopped for 3.5 years. (James 5:16), this will be repeated during the 1<sup>st</sup> half of the tribulation period. Moses in his time called the ten plagues down on Egypt. (gr. .. pleôgeô :a stroke, wound or public calamity)

**The source of the Judgments that fall on the earth during the first 3.5 years will proceed from Jerusalem.**

<b>Plague</b>	<b>Judgment</b>	<b>Reference</b>
<b>War</b>	2 <sup>nd</sup> Seal	Rev 6:3-4
<b>Famine</b>	3 <sup>rd</sup> seal	Rev 6:5-6
<b>Death, ¼ of mankind dies</b>	4 <sup>th</sup> seal	Rev 6:7-8
<b>Hail, fire, blood</b>	1 <sup>st</sup> trumpet	Rev 8:7
<b>Burning mountain, blood sea</b>	2 <sup>nd</sup> trumpet	Rev 8:8
<b>Asteroid</b>	3 <sup>rd</sup> trumpet	Rev 8:10
<b>Darkness</b>	4 <sup>th</sup> trumpet	Rev 8:12
<b>Demonic Locust</b>	5 <sup>th</sup> trumpet	Rev 9:1
<b>Demonic Horsemen, 1/3 mankind dies</b>	6 <sup>th</sup> trumpet	Rev 9:13

**As often as they will...** The judgments during the years will seem to be at the whim of the “Witnesses”. This will be the cause of their intense hatred throughout the Earth, the earth will view them as the cause of these calamities. Intense pressure will grow on the Antichrist to deal with these two men living in Israel.

These are not ordinary men. If anyone tries to hurt them, fire will come out of their mouth and destroy their enemies. We do see the calling cards of Elijah and Moses with the ability to shut up heaven, smite the earth with plagues, turn water into blood and call down fire on their enemies. The witnesses themselves are given power to judge and to smite the earth with plagues as often as they wish. The power to judge gives further proof that these two are beings that lived in the presence of God. That fact alone seems to rule out any idea that the prophets are normal men born in contemporary times.

**The passage on the surface would seem to indicate that it will not rain on the earth for 1,260 days but it is not likely to mean on all of the earth. Another passage in the Bible says there would always be seed time and harvest on the earth (Gen 8:22). The passage could just mean it will not rain in the land (in Israel) for that period of time. I expect the prophets will be able to do anything they wish to any nation they wish but these judgments will be selective and probably not global, although there probably will be some correlation to the trumpet judgments. Power to judge the nations might be given to them to bring the Jews out of the nations they dwell in, like power was given to Moses to bring Israel out of Egypt with God's judgments.**

**The ministry of the two prophets could be the most understated event in Revelation by prophecy teachers.**

**We hear much speculation about the Antichrist but prophecy experts say little about the power that these two prophets will have over the world for 1,260 days. Most experts just have them walking the Holy City quoting passages of scripture but the message given here is clear. These two will bring great torment on the earth to those who will not obey. They will be central world figures and the key focus of the world for 1,260 days. We next will read about the world's gleeful reaction when a supernatural Beast comes out of the pit and kills them. The world will believe that they have been freed from the two prophet's judgments and that their prophecy of a Jewish kingdom will not be fulfilled.**

**After 1,260 days of testimony from these two prophets, the Beast will come out of the bottomless pit, make war against them, and kill them. This and other scripture makes it fairly clear that a world leader will be killed and come back to life. This will occur right after Satan is cast out of heaven. At that time, there is war in heaven and Satan is cast out of heaven with all his angels. He then incarnates the Beast and kills God's two prophets. (God is the author of life and Satan by himself can raise no one back to life. However, God will allow Satan to have his desire to raise this sinful man back to life because the world rejected the truth told by these two prophets. They testified that Jesus would come back from heaven and Israelites would lead the Kingdom of God on earth. Now that the world has rejected God's message, He will allow a great delusion to come upon the earth for those who wish to believe a lie.)**

**We commonly call this supernatural man who kills the two prophets the Antichrist but the Bible calls him the Beast. The best prophecy scholars place the death of the two prophets at the mid point of Daniel's 70th week of seven years. The key proof to me that their death occurs at the mid point of this seven years and not later, is the passage that says Elijah would come before the great and dreadful day of the Lord (Mal 4:5). We know from many places in scripture that speak about these end times, that the actual judgment part of the day of the Lord comes in the final 3 ½ years that begins at the desecration of the temple by the Beast. It is the same 3 ½ year period in which Israelites are protected in the mountains by God angel's from this Beast.**

**Daniel spoke of this period that starts with the desecration of the temple by the Beast. Jesus, quoting Daniel, said this period would be the worst time on earth that ever was or ever will be (Mat 24:15-24).**

**They will perform their ministry in the first half of a seven-year period that is preceded by a great earthquake and signs in the sun and moon and people hiding in holes in the ground from the wrath of the Lamb. The two prophets will begin their ministry at the time of the signing of a seven-year peace covenant by a world leader with Israel.**

**We are told that the two prophets are killed at the end of the second woe (6<sup>th</sup> trumpet). The second woe is about the 200,000,000-man army of horsemen that comes from the East. Right after this war of East against West, we are told that the Beast ascends out of the pit, wars against the two prophets and kills them. What has probably happened is the world leader is killed by a Jewish zealot and rises back to life when incarnated by Satan. He then kills the two prophets, breaks the seven year covenant with Israel, desecrates the Jewish temple, claims to be Christ and God, ends the wars, is accepted as the world's savior and sets up his counterfeit kingdom of god from Babylon.**

**When the Beast that comes out of the pit kills the two prophets, he will have almost total control of the earth for the 3 ½ years allotted to him in scripture to deceive those who wish to believe this lie that he is God. Those in Israel who believed the two prophets and who were led to the true Messiah by the 144,000 witnesses will flee to the mountains for supernatural protection by Michael the archangel. When the King of the Jews comes in his glory, He will destroy the counterfeit kingdom and remove all those on earth that were against His rule and the establishment of a Jewish kingdom.**

- 8** *And their dead bodies shall lie in the street of the great city, which spiritually is called Sodom and Egypt, where also our Lord was crucified.*
- 9** *And they of the people and kindreds and tongues and nations shall see their dead bodies three days and an half, and shall not suffer their dead bodies to be put in graves.*

**The passage makes it quite clear where their dead bodies will be. Their bodies will lie in the street where Jesus was crucified. That of course is Jerusalem. The world will gloat over killing them. I surmise that they will intend to gloat for a world holiday that will last one week to celebrate their deaths. The whole event will have worldwide video coverage.**

**Part of the great deception may be to convince the willfully ignorant that the two prophets of God fulfilled the Bible prophecies of the predicted *Antichrist* and his *False Prophet*. The world will then be ready to receive the type of all-inclusive lawless Christ they desire. They will get the false Christ, which will deceive them and tell them things that tickle their ears. They will also get a false kingdom that will brainwash and enslave all who choose to worship the Beast and kill all those who will not.**

**10** *And they that dwell upon the earth shall rejoice over them, and make merry, and shall send gifts one to another; because these two prophets tormented them that dwelt on the earth.*

**The people who survive the seal and trumpet judgments and any other judgment that came from these two prophets will think that they survived the tribulation and they will throw a great party and send gifts to one another. These two prophets obviously were a torment to those that loved to live a sinful lifestyle on the earth.**

**Many people will let everyone know that seven years have passed and a Christ is due. They probably will think the biblical Beast and False Prophet were the two this risen leader killed. Instead of Christ, they will receive a counterfeit Christ that the Bible calls the Beast Antichrist. This term antichrist can also mean someone who comes in place of Christ rather than someone opposing him. In this instance, both are true. The world will accept the Christ from hell and his new age kingdom.**

**With the replacement supersession theology that will prevail in the World Church, they will not accept the truth of a literal kingdom on earth that the two prophets proclaimed. Instead, they will be looking for a Christ that will fulfill all world religious beliefs and that will nullify the claims of these two Jewish prophets.**

**The Christ they will accept will claim to be above anything called God. He will say the Jewish sacrifice system has been done away with and that he fulfilled the sacrifice. He will then stop the sacrifice system that had been reinstated in the temple in Jerusalem and set up an image of himself in the holy place.**

**The image will be animated and it will speak. By going in the most holy place in the temple, he will show himself and the world that he is God.**

***2Th 2:4 Who opposeth and exalteth himself above all that is called God, or that is worshipped; so that he as God sitteth in the temple of God, shewing himself that he is God.***

**The whole world will love it and believe that this man actually is God and their Christ savior. Only the elect will not be deceived. The two prophets that the world hated who spoke of a kingdom under God's law and a Jewish king are now dead. The sinful will now believe this phony savior nullified the law God gave to Israel. Therefore, they will believe that there are *no longer any moral absolutes and they can do whatever they think is right in their own eyes*. This is nothing new; all who oppose God's eternal law have always believed this lie from Satan. Christ did not come to do away with the law He came to fulfill the curse of the law and to allow us to keep the law by being born of His Spirit.**

***11 And after three days and an half the Spirit of life from God entered into them, and they stood upon their feet; and great fear fell upon them which saw them.***

**As Jesus rose from the dead after 3 days, these prophets will get life from the Spirit of God and their bodies will be raised after 3 ½ days. It will literally be God's April fool joke on the world! The weeklong world holiday is interrupted in the middle of the week by a rude awakening! The two prophets the world thought their savior killed stand on their feet in the sight of all their enemies.**

**12** *And they heard a great voice from heaven saying unto them, Come up hither. And they ascended up to heaven in a cloud; and their enemies beheld them.*

I am sure the two prophets could have dealt with their enemies at that time but instead they are told to come up to heaven. They are taken from earth so Satan and his angels and his Antichrist can deceive those on earth who did not love the truth and are the enemies of God. Perhaps the Beast will say that their rising from the dead fulfilled the prophecy that the Beast and False Prophet will be cast alive into the Lake of Fire and that is where he sent them. Satan and his angels will be given almost total control of the earth for the next 3 ½ years. Few have any idea about what this all entails.

**It will not just be one or two men with supernatural powers telling the world what to do. It will be someone who claims to be God and he, like God, will have millions of angels at his immediate command. The fallen angels that are cast out with Satan will enforce his decrees on the earth. It will be as if a superhuman race has come to earth from another dimension or from space and has set up control over the earth. The only place they will not control is the area in the mountains of Jordan that the archangel Michael is protecting for the faithful remnant of Israel.**

**They may even package the deception as a war between a controlling alien God in heaven who put the Jews on the earth to control it and the God who has come to earth to save mankind from their control (this, believe it or not, is already a new age concept).**

**In any case, those who think they will not be deceived and that they can actually fight such supernatural forces with local militias or by physical resistance will have a reality check that they will not be able to cash.**

**Time the way we know it is soon to change.**

**People are dying every day without ever hearing the good news that Jesus loves them.**

**As the body of Christ we are commanded -- not asked, -- to go into all the world and preach the gospel, or good news to every creature. Knowing that time is short, we must share the good news with all before it is too late. Jesus, himself said these words:**

**John 9:4 ***4I must work the works of him that sent me, while it is day: the night cometh, when no man can work.*****
